

In the Specification

Please add the following text on page 3 after line 4 and before line 5.

FIG. 7 illustrates a modification of FIG. 5, in accordance with embodiments of the present invention.

Please add the following text on page 7 after line 18 and before line 19.

FIG. 7 illustrates a modification of FIG. 5 showing a top view of the electronic structure 4 having the segmented semiconductor device 1 electrically coupled to the substrate 2, in accordance with embodiments of the present invention. In contrast to FIG. 5, FIG. 7 illustrates a segment 139 (i.e., replacing segment 39 of FIG. 5) of the semiconductor device 1 that is not congruent with respect to the remaining segments 31-38 of the semiconductor device 1.
